REF: SECSTATE 148605

1. (SBU) Per reftel, Post informed the Government of Mongolia in an October 26 demarche of the USG's designation of several Iranian entities, individuals and banks for their support of terrorism and on proliferation grounds. Post urged the GOM to take parallel steps, to prevent the facilitation of Iran's terrorist and proliferation activities. MFA Americas Desk Deputy Director Mounkhou was noncommittal, saying merely that the GOM would take the matter under consideration. Post does not anticipate any further GOM feedback but will forward any such information immediately.
